

FALL 2024 PRODUCT CAPTIONS

The Baker Luxe Collection

Capturing the grace, elegance and joie de vivre of runway fashion shows, the Baker Luxe Collection offers clean, chic designs that elevate any interior space. Pure Brass, Nickel Plated Brass, quartered oak veneer and polished Hena White marble interplay to create pieces that feel both organic and refined. Materials overlap, wrap and converge in the way that fabric covers the body, or paper folds to create an envelope. The Baker Luxe Collection provides a modern design sensibility that makes a lasting impression.

BAA5456, Marni Side Table

The Marni Side Table resembles an inverted pleat on vintage 1970s culottes. This narrow, attention-grabbing table features a Nickel Plated Brass frame with a quartered oak veneer insert.

Standard Finish: Venetia with Nickel Plated Brass
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5457, Leilani Side Table

Similar to many pieces in the Luxe Collection, the Leilani Side Table takes its inspiration from the world of fashion—with a design that resembles the inverted pleats on vintage 1970s culottes. This narrow, attention-grabbing table features a quartered oak veneer insert and a frame in Pure Brass.

Standard Finish: Brunet with Pure Brass
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5458, Emma Side Table

Featuring a veneered drawer front surrounded by Nickel Plated Brass, the Emma Side Table is a modern choice with a versatile aesthetic. The design is capped off by a single faceted knob in Nickel Plated Brass.

Standard Finish: Venetia with Nickel Plated Brass
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5460, Camila Side Table

The Camila Side Table is a modern choice with a versatile aesthetic. Its signature feature is a veneered drawer front surrounded by Pure Brass, with a single drawer pull also made of Pure Brass.

Standard Finish: Carob with Pure Brass

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

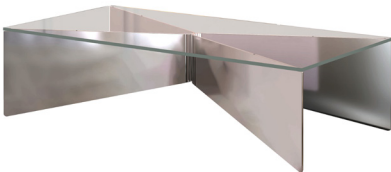

BAA5459, Lulu Side Table

Exploring the concept of wrapped and converging elements that inspired this collection, the Lulu Side Table has a layered technique, as if wrapped in a second skin. The table features veneers made from quartered oak.

Standard Finish: Venetia

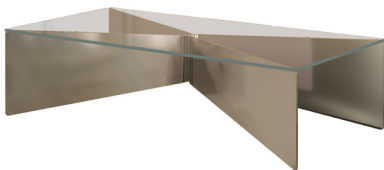

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5450, Lila Cocktail Table

The Lila Cocktail Table is an artful take on the design of an envelope. Two geometric sections of Nickel Plated Brass join to form its base, supporting a tabletop of beautiful Starphire glass.

Standard Finish: Nickel Plated Brass

BAA5451, Layla Cocktail Table

Resembling the design of an envelope, the Layla Cocktail Table is an artful piece with a story to tell. Two geometric sections in Pure Brass are joined to form its base, supporting a tabletop of beautiful Starphire glass.

Standard Finish: Pure Brass

BAA5452, Nev Cocktail Table

Playful and unexpected, the Nev Cocktail Table is a boldly creative piece that combines racetrack shaping and a more traditional straight edge. The table is made from quartered oak veneer with a diagonal veneer strip that spans its tabletop.

Standard Finish: Venetia

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5453, Eliza Cocktail Table

The Eliza Cocktail Table takes its cues from fashion design, with a remarkable sloping angular base inspired by a woman's center pleat shirt. This modern cocktail table is made entirely from quartered oak veneer.

Standard Finish: Venetia

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5475, Bevan Chest

Inspired by the dramatic turns of a racetrack, the Bevan Chest features a rounded shape and a top crafted from polished Hena White marble. A Nickel Plated Brass plinth base and hardware complete this confidently modern design.

Standard Finish: Venetia with Polished Hena White Marble and Nickel Plated Brass

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5476, Finley Chest

The Finley Chest features a rounded shape inspired by the dramatic turns of a racetrack. Its top is crafted from polished Hena White marble, while its Pure Brass base and hardware complete the assuredly modern design.

Standard Finish: Venetia with Polished Hena White Marble and Pure Brass

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5403, Adelaid Chest

The Adelaid Chest is a minimal piece with a classic and captivating look. It features a case in quartered oak veneer and five drawers with faceted, sculptural handles made from Nickel Plated Brass or Pure Brass. The design is punctuated by a reverse diamond match veneer pattern on the front of the chest.

Standard Finish: Venetia with Pure Brass or Nickel Plated Brass
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA3103, Ellie Chest

Featuring a unique silhouette that is reminiscent of stacked luggage trunks, the Ellie Chest is feminine and lively. Rich in materials, this four-drawer chest features a playful combination of quartered oak veneer and brass accents.

Standard Finish: Carob with Natural Bronze
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA3108, Ella Chest

The Ella Chest features an elegantly stacked look with gracefully tapered legs. With a brass band between its two drawers, the chest's quartered oak veneer and metal accents combine to create a look that is luxurious and effortlessly stylish.

Standard Finish: Carob with Natural Bronze
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5473, Tamara Credenza

Contrasting veneers and gently sloping doors adorn the Tamara Credenza, which appears to be wrapped in an envelope. The credenza offers one adjustable shelf behind each door, with quartered oak veneer on the entirety of the piece.

Standard Finish: Carob with Brunet
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5428, Blaize Credenza

Symmetrical and beautifully shaped, the Blaize Credenza is a modernist cabinet with a surprising abundance of storage. Behind its finely crafted doors, the credenza offers a total of three drawers and four adjustable shelves, with each element crafted in quartered oak veneer.

Standard Finish: Brunet

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5430, Sage Sideboard

The Sage Sideboard is a study in modern materiality, with an elevated pairing of wood and stone elements. Side and back panels are enveloped in polished Hena White marble, while the case features quartered oak veneer and hardware in Nickel Plated Brass or Pure Brass.

Standard Finish: Venetia with Polished Hena White Marble and Nickel Plated Brass or Pure Brass Hardware

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA3100, Ellery Dresser

The Ellery Dresser seamlessly pairs quartered oak veneer with polished brass and smooth rounded corners, creating a vision of modern style. The dresser features six drawers for ample storage, with liners included on the top two drawers.

Standard Finish: Carob with Natural Bronze

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA3109, Eliana Nightstand

Defined by its smooth rounded corners and accented by brass hardware, the Eliana Nightstand is a modern and feminine choice. The nightstand is crafted in quartered oak veneer.

Standard Finish: Carob with Natural Bronze

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5408, Juniper Bedside Table

Inspired by the overlapping folds of an envelope, the Juniper Bedside Table is a uniquely geometric and layered piece. Made from quartered oak veneer, the table is punctuated by two faceted drawer pulls crafted in Nickel Plated Brass or Pure Brass.

Standard Finish: Venetia with Nickel Plated Brass or Pure Brass
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5409, Harper Bedside Table

Modern and minimal, the Harper Bedside Table merges quartered oak veneer and faceted, sculptural handles made from Nickel Plated Brass or Pure Brass. The table offers two drawers for convenient bedside storage.

Standard Finish: Venetia with Nickel Plated Brass or Pure Brass
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5410, Jayne Bedside Table

The Jayne Bedside Table is reminiscent of an envelope with its top fold tucked in, offering a layered and geometric look. The effect is heightened by the contrasting veneer direction on the drawer front, creating a dramatic statement for any space.

Standard Finish: Venetia
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5487, Ali Desk

The Ali Desk is inspired by a back cape dress seen on the red carpet, with a unique tabletop that combines straight edges and rounded corners. The polished Hena White marble surface pairs with quartered oak veneer to create a contemporary yet classic look.

Standard Finish: Venetia with Polished Hena White Marble
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5438, Dora Dining Table

Named after Pablo Picasso's wife, the Dora Dining Table is an artistic and imaginative piece that appears to be wrapped in multiple layers. This modern dining column features quartered oak veneer.

Standard Finish: Venetia

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5437, Eliza Dining Table

The Eliza Dining Table is inspired by the shaping of a deconstructed and refolded envelope, with converging panels that create a geometric look. The table is made entirely from quartered oak veneer—a mainstay of this collection.

Standard Finish: Brunet

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5435, Isadora Dining Table

Inspired by the flowing fabric and graceful movements of a model walking down a runway, the Isadora Dining Table features an undulating Nickel Plated Brass base that creates a tranquil, calming effect. Its tabletop is carefully crafted in quartered oak veneer.

Standard Finish: Carob with Nickel Plated Brass

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5495, Aurora Dining Table

The Aurora Dining Table features a softly undulating Pure Brass base that creates a tranquil, calming effect. The table is inspired by the flowing fabric and graceful movements of a model walking down a runway. Its tabletop is carefully crafted in quartered oak veneer.

Standard Finish: Carob with Pure Brass

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5434, Isadora Dining Table - 118" Wide

Inspired by the flowing fabric and graceful movements of a model walking down a runway, the Isadora Dining Table - 118" Wide features an undulating Nickel Plated Brass base that creates a tranquil, calming effect. Its tabletop is carefully crafted in quartered oak veneer.

Standard Finish: Carob with Nickel Plated Brass
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5494, Aurora Dining Table - 118" Wide

The Aurora Dining Table - 118" Wide features a softly undulating Pure Brass base that creates a tranquil, calming effect. The table is inspired by the flowing fabric and graceful movements of a model walking down a runway. Its tabletop is carefully crafted in quartered oak veneer.

Standard Finish: Carob with Pure Brass
Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5436, Cassidy Dining Table

The signature feature of the Cassidy Dining Table is its softly undulating Nickel Plated Brass base, which calls to mind the gentle flowing of fabric in the wind. The table offers a stunning tabletop in polished Hena White marble, which pairs well with wooden elements in any space.

Standard Finish: Polished Hena White Marble with Nickel Plated Brass

BAA5496, Avani Dining Table

Like fabric gently waving and flowing as a model walks down the runway, the base of the Avani Dining Table features a gently undulating shape in Pure Brass. The table offers a stunning tabletop in polished Hena White marble.

Standard Finish: Polished Hena White Marble with Pure Brass

BAA5439, Phoebe Dining Table

The Phoebe Dining Table is a playful, unexpected choice that combines racetrack shaping and a more traditional straight edge, with supports made from half round columns. Named after Holden Caulfield's sister in *The Catcher in the Rye*, its design aesthetic and diagonal veneer strip make it extraordinarily different.

Standard Finish: Venetia

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5440, Sloane Chair

The Sloane Chair is inspired by feminine fashion, with clean lines inspired by a simple bandeau top. The chair features solid wood legs and an envelope-inspired design detail on its back.

Optional Finishes: Finish Program (Tier 1, Tier 2, and Tier 4)

BAA5441, Eva Chair

Mimicking the shape of clutch handbags from the 1980s, the Eva Chair is an elegant and expressly feminine choice. Its delicate frame is crafted in Nickel Plated Brass, a favorite material of the Baker Luxe Collection.

Standard Finish: Nickel Plated Brass

BAA5442, Clara Chair

Featuring a frame in Pure Brass, the Clara Chair is an expressly feminine choice with a relaxed elegance. The chair's silhouette is inspired by the shape of clutch handbags that were fashionable in the 1980s.

Standard Finish: Pure Brass

BAA5444, Kirby Chair

Inspired by a single petal of a tulip, the Kirby Chair feels romantic and refined. This innately feminine chair features legs crafted in quartered oak veneer.

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5448, Eva Counter Stool

Both elegant and opinionated, the Eva Counter Stool is inspired by the silhouette of clutch handbags seen in the 1980s. Complementing other pieces in the Baker Luxe Collection, the delicate frame is made from Nickel Plated Brass.

Standard Finish: Nickel Plated Brass

BAA5498, Clara Counter Stool

Informed by the shaping of clutch handbags from the 1980s, the Clara Counter Stool is a must-have piece for the kitchen or bar area. This luxurious counter stool features a frame in Pure Brass.

Standard Finish: Pure Brass

BAA5449, Eva Barstool

The Eva Barstool is inspired by clutch handbags seen in the 1980s, with a silhouette that is both elegant and opinionated. Its delicate frame is made from Nickel Plated Brass, a signature material of the Baker Luxe Collection.

Standard Finish: Nickel Plated Brass

BAA5499, Clara Barstool

The Clara Barstool has an elegant, fashion-forward look inspired by the shaping of clutch handbags from the 1980s. With a frame in Pure Brass, this sophisticated choice makes a statement in any kitchen or bar area.

Standard Finish: Pure Brass

BAA5505C, Brie Chair

The eye-catching Brie Chair is inspired by the way in which a sheath dress accentuates a woman's shoulders. This fully upholstered chair has carefully placed seams and a curved back leg made of Nickel Plated Brass or Pure Brass, creating a unique visual effect that is reminiscent of the female form.

Optional Finishes: Nickel Plated Brass or Pure Brass

BAA5504C, Marya Chair

The Marya Chair is spirited and feminine, with a frame crafted entirely from Nickel Plated Brass. Its uniquely twisted arms and legs create an alluring effect, in the way that the eye is drawn to shimmering earrings and bracelets.

Standard Finish: Nickel Plated Brass

BAA5509C, Mila Chair

The Mila Chair boasts uniquely twisted arms and legs that beckon a closer look, just as the eye is drawn to shimmering earrings and bracelets. The frame of this spirited, feminine chair is crafted in Pure Brass.

Standard Finish: Pure Brass

BAA5506C, Amelia Chair

The Amelia Chair is defined by its slim, wispy arms that are inspired by feathers used in designer collections during runway shows. This uniquely shaped frame is crafted in Nickel Plated Brass.

Standard Finish: Nickel Plated Brass

BAA5510C, Lily Chair

Inspired by the feathers often used in designer collections during runway shows, the Lily Chair is defined by its slim, wispy arms. These uniquely shaped arms are crafted in Pure Brass.

Standard Finish: Pure Brass

BAA5507C, Talulah Chair

Inspired by the shaping of an Elizabethan headband, the Talulah Chair presents a feminine formed frame with gracefully flowing arms. The chair is fully upholstered with a hidden swivel base.

BAA5508C, Asher Chair

Featuring a Nickel Plated Brass or Pure Brass base and full upholstery, the Asher Chair is an imaginative expression of style based on a deconstructed envelope. Its flowing, rounded silhouette is entirely unique, both from the front and in profile.

Optional Finishes: Nickel Plated Brass or Pure Brass

BAA5502C, Olivia Chair

Just as a pair of oval earrings perfectly frame a woman's face, the Olivia Chair is bookended by Nickel Plated Brass or Pure Brass accents on each arm. It pairs clean lines and rounded edges in an embodiment of feminine, modern design.

Optional Finishes: Nickel Plated Brass or Pure Brass

BAA5500C, Holden Chair

Taking design influence from the back of an envelope, the Holden Chair is an invitation to experience its comfortable, fully upholstered frame. The chair features a hidden swivel base for added functionality and a noteworthy envelope-inspired design detail on its back.

BAA5500L, Holden Loveseat

With a luxurious, fully upholstered frame, the Holden Loveseat offers modern comfort with a versatile and universally appealing look. The loveseat features an envelope-inspired design detail on its back, prompting conversation and wonder.

BAA5500S, Holden Sofa

The Holden Sofa resembles the front view of an envelope, with clean lines that converge at its seating area. This fully upholstered sofa offers generous space to gather or stretch out, along with a prominent envelope-inspired design detail on its back.

BAA5502S, Olivia Sofa

Like a pair of oval earrings adorning each side of a woman's face, the Olivia Sofa features Nickel Plated Brass or Pure Brass accents around each arm to create a beautiful bookend effect. Mimicking the arm design, the feet are also crafted in brass to create a modern, versatile look that pairs with other pieces in any space.

Optional Finishes: Nickel Plated Brass or Pure Brass

BAA5418Q/K/CK, Carter Bed

Boasting the layered look that exemplifies the Baker Luxe Collection, the Carter Bed features a rounded and overlapping headboard that references the shaping of an envelope. Quartered oak veneer completes the look.

Standard Finish: Venetia

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5419Q/K/CK, Kinsley Bed

The Kinsley Bed is inspired by the shaping of an opened clutch handbag, offering a sleek and fashion-forward presence. This upholstered bed features wide and softened block feet for a versatile, modern vibe.

Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

BAA3120Q/K/CK, Emilia Bed

Crafted entirely in quartered oak veneer, the Emilia Bed is modern and textural, providing an invitation for restful slumber. Its uniquely scalloped silhouette offers an expression of feminine, contemporary design.

Standard Finish: Carob

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5412, Lucas Mirror

Simple, elegant and minimal, the Lucas Mirror has a versatile look that allows it to pair well in nearly any interior. This rectangular mirror is crafted in Nickel Plated Brass.

Standard Finish: Nickel Plated Brass

BAA5416, Rhett Mirror

The clean and rectangular Rhett Mirror is crafted in Pure Brass, creating a minimal and elegant look. This versatile mirror pairs well in nearly any interior.

Standard Finish: Pure Brass

BAA5413, Pax Mirror

Inspired by the shape of a raindrop, the Pax Mirror is a flowing and beautiful irregular design. Its organic shaping is complemented by an elegantly profiled frame in quartered oak veneer.

Standard Finish: Brunet

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5414, Micah Mirror

The Micah Mirror is inspired by the phases of the moon, bringing an artistic elegance to any room with its unique “third moon” shaping. Nickel Plated Brass accentuates this one-of-a-kind design.

Standard Finish: Nickel Plated Brass

BAA5415, Noah Mirror

The Noah Mirror is imaginatively designed, taking inspiration from the phases of the moon. This artistic silhouette elevates any space with its unique “third moon” shaping in Pure Brass.

Standard Finishes: Pure Brass

New Finishes:
