

# McGUIRE®

## FALL 2024 PRODUCT CAPTIONS

Barbara Barry for McGuire

Inspired by the enduring traditions of McGuire—modern style, an appreciation for craftsmanship and a reverence for natural materials—the Barbara Barry Collection for McGuire unveils a new era of timeless elegance for the living room, dining room and bedroom. Featuring sustainably sourced rattan, woven square mesh cane, white oak and bronze, the collection reimagines classic shapes in contemporary forms. This is a collection where tradition meets innovation, where every detail is thoughtfully considered, and where the beauty of simplicity reigns supreme. This is the world of McGuire.

MCA1855, Clean Line Side Table

The Clean Line Side Table is an exploration of geometric shapes, with a circular tabletop and two well-crafted oak veneer shelves. The table feels both classic and modern, offering a timeless look that can instantly be put to work in any space.

Standard Finish: Straw

Optional Finishes for Top and Shelves: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

MCA1856, Clean Line End Table

Simple and crisp, the Clean Line End Table is like the perfect white shirt: uncomplicated, yet often hard to find. This is the staple that every room needs, made with rattan and quartered oak that complement nearly any tone.

Standard Finish: Straw

Optional Finishes for Top and Shelves: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

MCA1857, Cinch End Table

The Cinch End Table represents a novel take on the modern end table, with a contemporary form crafted in iconic McGuire materials. It features a rattan frame with a tabletop and shelf created in quartered oak veneer.

Standard Finish: Straw

Optional Finishes for Top and Shelf: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

### MCA1860, Trinity Nesting Tables

Reimagining a traditional concept for the modern age, the Trinity Nesting Tables accent any space with three separate pieces in curved rattan and quartered oak. Populate a room or have them nest quietly as one end table—this contemporary design offers a wealth of options.

Standard Finish: Straw

Optional Finishes for Top: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

### MCA1852, Trinity Square Cocktail Table

The Trinity Square Cocktail Table has a refined yet simple silhouette. Its gently sloping frame is crafted in rattan and woven square mesh cane, with a shelf in quartered oak that offers an abundance of possibilities for storage, decorating and hosting.

Standard Finish: Straw

Optional Finishes for Top and Shelf: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

### MCA1851, Clean Line Cocktail Table

True to its name, the Clean Line Cocktail Table is a classic, angular form designed with perfect proportions. Rattan and quartered oak pair together to create a piece that is stylish, versatile and architectural.

Standard Finish: Straw

Optional Finishes for Top and Shelf: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

### MCA1859, Trinity Rectangle Cocktail Table

Solid and graceful with a simple silhouette, the Trinity Rectangle Cocktail Table is a casual option for the modern living space. Its gently sloping frame is crafted in rattan and woven square mesh cane, with a shelf made from quartered oak.

Standard Finish: Straw

Optional Finishes for Top and Shelf: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

MCA1895, Cinch Etagere

A new form of angled rattan creates the Cinch Etagere, a modern storage case with a whimsical silhouette. Five shelves in quartered oak veneer rest on its rattan frame, offering a contemporary way to display books, keepsakes and artwork.

Standard Finish: Straw

Optional Finishes for Top and Shelves: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

MCA1808, Platform Night Table

The Platform Night Table is versatile and minimal, embracing textures and sensual forms to create a piece that can act as a nightstand or end table. The table features a veneered top and shelf in quartered oak, in addition to woven square mesh cane, rattan and Warm Bronze hardware.

Standard Finish: Straw with Warm Bronze

Optional Finishes for Top and Shelf: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

MCA1811, Trinity Nightstand

The Trinity Nightstand is small in scale and gracefully curved. It is handcrafted by McGuire artisans with woven square mesh cane, quartered oak veneer and Warm Bronze hardware in a bold expression of craftsmanship and materiality.

Standard Finish: Straw with Warm Bronze

Optional Finishes for Top and Shelf: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

MCA1800, Trinity Dresser

Featuring rattan, woven square mesh cane and quartered oak veneer, the Trinity Dresser has the versatility to act as a dresser, cabinet or even a large end table. This piece is rich with texture and sensual forms, accentuated by Warm Bronze hardware.

Standard Finish: Straw with Warm Bronze

Optional Finishes for Top: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

### MCA1834, Cinch Dining Table

The Cinch Dining Table is a spare, simple piece that fits seamlessly into any room. Its uniquely cinched frame of rattan supports a generously sized oak veneer top to create an architectural statement.

Standard Finish: Straw

Optional Finishes for Top: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

Optional Finishes for Base: Type 1, Type 2 and Specialty Rattan

### MCA1844, Albion Dining Chair

Enhance any dining table with the Albion Dining Chair, an inviting option with a graceful form. Pairing an iconic silhouette with rattan and woven square mesh cane, this quiet, supportive chair is the height of McGuire craftsmanship.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

### MCA1842, Repose Dining Chair

A graceful form in modern, natural materials, the Repose Dining Chair is poised to become a new classic in seating. The chair fits harmoniously with any table or desk, featuring a curved back, upholstered seat and supportive arms for hours of work or socializing.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

### MCA1878, Repose Counter Stool

The Repose Counter Stool is poised to become a new classic: offering a graceful form, natural materials and a lightweight design that is easy to pull closer for meals or conversation. A rattan frame and woven square mesh cane pair together to create an exceptionally comfortable stool with a curved back and upholstered seat.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

MCA1879, Repose Barstool

With a graceful form, beautiful materials and a lightweight design that is easy to pull closer for meals or conversation, the Repose Barstool will become an instant favorite in your home. A rattan frame and woven square mesh cane pair together to create an eminently comfortable stool with a curved back and upholstered seat.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

MCA3004C, Repose Lounge Chair

The Repose Lounge Chair is McGuire at its best. A perfectly resolved form that speaks to structural harmony that is beautiful from every angle, in an artful combination of rattan, woven square mesh cane and comfortable upholstery. This generously proportioned piece features a gently curved back and arms to embody the essence of modern style.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

MCA3006C, Albion Lounge Chair

The Albion Lounge Chair is graceful, yet modern enough to work well in either a casual or formal living area. Rattan and woven square mesh cane create a curved, classic shape with comfortable arms and an iconic lounge chair look.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

MCA3000C, Frame Lounge Chair

The Frame Lounge Chair is a timeless form of modern geometry destined to become a classic. The chair features a rattan frame with a supportive upholstered tight seat and loose back pillow.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

### MCA3012C, Encircle Lounge Chair

The Encircle Lounge Chair represents modern design reduced to its essence featuring an open frame, a pure form and comfortable natural materials. Choose it as an accent piece or use it in groups. The chair's rattan frame and base, woven square mesh cane outback, and upholstered seat with a tight back offers style and sophistication for nearly any space.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

### MCA3013C, Encircle Lounge Chair - Fully Upholstered

The Encircle Lounge Chair - Fully Upholstered is a contemporary option that offers style and sophistication for nearly any space. The chair represents the essence of modern design, with a pure form and bold shaping. Incorporate it as an accent piece or use multiple chairs to create a defined seating area.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

### MCA3000S, Frame Sofa

The Frame Sofa is the perfect statement of casual elegance with its geometric form and natural materials. The lightweight frame supports luxuriously comfortable seating while keeping a clean line.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

### MCA3012S, Encircle Sofa

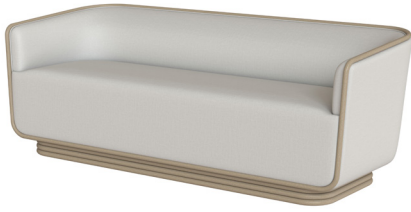

The Encircle Sofa distills modern design to its essence with an open frame and woven square mesh cane outback. The sofa's supportive, upholstered seats are paired with a tight back for an extremely comfortable and stylish experience.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

MCA3013S, Encircle Sofa - Fully Upholstered

Featuring comfortable upholstery and deep seating, the Encircle Sofa - Fully Upholstered is a provocative piece with a pure form. This sofa embodies the modern McGuire aesthetic, with iconic shaping that fits the way we live today.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

MCA3004B, Repose Bench

The Repose Bench is an artful piece made from thoughtfully chosen materials, including woven square mesh cane and curved rattan. This graceful form fits impeccably at the end of the bed or serves as additional seating in any living space.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

MCA1820Q/K/CK, Serene Bed

Boasting a curved headboard and footboard in sculpted rattan, the Serene Bed is an elegantly crafted option with a grand form. It features woven square mesh cane insets and round, tapered legs that make the bed appear to float.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan

MCA1822Q/K/CK, Frame Bed

Clean, geometric and refreshingly modern, the Frame Bed is an architectural statement piece that feels minimal and understated. Rattan interplays with woven square mesh cane in a celebration of natural materials.

Standard Finish: Straw

Optional Finishes: Type 1, Type 2 and Specialty Rattan
